

Pupil Parliament Minutes

14/12/17

Please share with your class.

Actions that have been taken:

- A clock has now been put in Daffodil Class thanks to Maisy's suggestion. Very handy for Read-Write-Inc.
- We have discussed with Mrs Doherty about updating the website photos. She agrees this is a good idea and we will get a professional photographer in spring to take some school photos.
- The school are kindly providing snacks for the Christmas parties next week.

The Pupil Parliament members discussed:

- More tennis balls, we will speak to Mr Marchant.
- A baking club and bike club in KS2
- Printers to be improved in KS2.
- Repainting netball court.
- Open the library at lunchtime so children can enjoy reading.
- Pudding popcorn for lunch with toppings.
- Menu to be added to school website.
- Union Jack display to be moved so it is more visible.
- Water fountains are too high for some children and possibly more in the playground.

Keep sharing any ideas you have to improve the school with your class and Pupil Parliament member. They can record these ideas and bring them to the next meeting!

Have a happy Christmas everybody! ☺

Next meeting date 11th January 2018 @ 1pm in Daffodil Room.
