School News

Science Week - We have had a fantastic time celebrating Science week with lots of great, engaging activities! We even had a dinosaur come to visit us! A big thank you to all the parents and carers who came in to support their child with the Science/Art workshop! It was a great success and we had some lovely posters produced relating to a Scientific Journey. Please see the reverse of the newsletter for the winners!

Faith Leaders - We have been very fortunate to have various Faith Leaders visit our school. They posed the question 'How can we make Luton a more tolerant place?' This linked well to our school values and the promotion of mutual respect.

RE conference - Some children from year 5 attended an RE conference where the theme was 'Respect For All' and children discussed the meaning of respect and how it can help to make Luton a more respectful town. The children enjoyed themselves enormously and came away from the conference with lots of new ideas.
