

Governor Website Profiles

Valeria Luna

"I have been part of the governing board since January 2021. My daughter is in Year 2.

I joined the board because I was interested in adding a different perspective to the discussion. One of the main duties of the governing board is to act as a critical friend and I believe such a diverse school deserves a diverse board.

Over the last two years I have learnt a lot about how the school system works, thanks to the support available. It has been a pleasure to witness how Ramridge has gone from strength to strength despite the unprecedented challenges from the last couple of years. It has also been an honour to participate in celebrating the school's achievements.

I am looking forward to the remainder of term as parent governor and to providing support to the school so it can find ways to be as prepared as possible for the future."

Ann Solari

"I joined the Governing Board at Ramridge Primary School, as a co-opted governor, in January 2016. I knew the school well having worked as a Family Learning Tutor with many parents, children and teachers across most year groups.

Before that I worked for 13 years as an infant teacher in a Luton school.

It is an honour and a pleasure to work with the dedicated and caring team at Ramridge Primary School."

Matt Hulbert

"Hi my name is Matt and I have been a Co-Opted Governor at Ramridge for coming up to 6 years. I have been visiting Ramridge providing IT support for around 12 years in total. It is a very interesting role becoming a Governor and feel I get a much better understanding of how schools run and the challenges they face as well as sharing the successes Ramridge experience!"

Jamie Bonfield

"I have been a governor at Ramridge for a number of years now, and have seen many changes in that time, for the better. I work at the school as a Site Agent; dealing with the maintenance, cleaning, and day-to-day running of the school. With this experience, as governor, I can contribute to Health and Safety matters when they arise, and offer my knowledge to the rest of the Governing board, with the "behind the scenes", and the logistics of the running of the school."

Liam Marchant

"I have worked at Ramridge Primary School since 2013 and during that time the senior leadership team have given me many fantastic opportunities and supported me whilst I trained to become a teacher. I have two children who attend the school and I know first hand that they are given every opportunity to thrive. Due to this, I wanted to join the governing body to offer my support and knowledge of the day-to-day life within the school, as well as gaining a better understanding of how a school is run."

Vishal Dutta

"As someone who grew up walking distance from Ramridge, I have seen the great progress this school has made over the years so I wanted to help make a difference and become a governor.

My aim as governor is to ensure the school maintains its high standards and the children (including my own) have a fun and safe learning environment that puts them on a path to success."

Lesley-Anne Love

"I am so pleased to have been chosen as Staff Governor. Having worked in the school for twelve years, I have a deep understanding of our school's values and vision and endeavour to assist, in a teaching capacity and governor capacity, in our school's continued growth and success.

Working at Ramridge for over a decade I have developed a profound respect and appreciation for our students, staff and parents and I look forward to learning about the other side of what goes into making a school successful."
